

Client Portal — How to Access Your Reports

Step 1 — Visit the Website

Go to logicfireprotection.com and click on "**Access Your Report**" to begin the login process.

A red, rounded rectangular button with white text and a white right-pointing arrow icon.

Access your report →

Step 2 — Sign In with Microsoft

A Microsoft login page will appear. Enter the email address that Logic Fire Protection has used to share your report, then click **Next**.

Sign in

Email, phone, or Skype

Sign-in options

Step 3 — Enter the Verification Code

A verification code will be sent to your email address. Enter that code in the field provided and click **Sign in**.

Step 4 — Accept Permissions

A permissions page will appear asking you to allow Logic Fire Protection to access your profile. Click Accept to proceed to the client portal.

Note: This is a secure Microsoft-powered login. Your information is only used to verify your identity and give you access to your reports.

Step 5 — View Your Reports

Once logged in, you will be in the client portal. Here you can:

- Browse shared folders organized by building or location.
- If you manage multiple buildings, you may see a separate folder for each one.

If you have any questions or need assistance, please don't hesitate to contact us.
